

**TERMINAL DISCLAIMER TO OBTAIN A PROVISIONAL
DOUBLE PATENTING REJECTION OVER A PENDING
REFERENCE APPLICATION**

Docket No. 1202a

In Re Application of: Minh Duy Khuc

Application No.: 10/678,876

Filed: 10/03/2003

For: CALL CENTER COMMUNICATIONS SYSTEM FOR HANDLING CALLS TO A CALL CENTER

The owner, Sprint Communications Company L.P., of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term of any patent granted on pending reference Application Number 11/369,068, filed on 03/06/2006, as such term is defined in 35 U.S.C. 154 and 173, and as the term of any patent granted on said reference application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending reference application. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and any patent granted on the reference application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of any patent granted on the reference application, "as the term of any patent granted on said reference application may be shortened by any terminal disclaimer filed prior to the grant of any patent on the pending reference application," in the event that any such patent granted on the pending reference application: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

For submissions on behalf of a business/organization (e.g., corporation, partnership, university, government agency, etc.), the undersigned is empowered to act on behalf of the organization. Further, under 37 CFR 3.73(b), the undersigned certifies that Sprint Communications Company L.P. is the assignee of record of the entire interest in this application, by virtue of an assignment from the inventor(s) of the application, recorded in the U.S. Patent and Trademark office at Reel 009940, Frame 0543.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
